CPT William G. Ray, [REDACTED] presently G-2, 11th Signal Bde, Ft Huachuaca, AZ, and currently on orders for assignment to HQ INSCOM, Ft Meade, effective 11 January 1984, per coordination with CWO Kennedy, DCSPER. Ray's orders are for SSD.

also → LTC Buzby

Selected personnel to be assigned to ~~these~~ spaces and then be attached to the 902d MIG for duty. To effect assignment to Project CENTER LANE, orders must read assignment to the specified space, with subsequent duty at Security Systems Planning Division (SSPD), SSD, 902d MIG.

Authority for ~~assignment~~ assignment to CL
is CG INSCOM.

per LT Greco, 25 Aug, slots are in message 381198 which is a "CC" message. It deals w/ Army Management of HQ activities. It is admin in nature and not GDP. This is per McKetrick and per Willoughby, Arlington Hall.
